The IMPACT Hiring Solutions Product Catalog for Candidates

Our Candidate Products provide the tools to implement the Career Success Methodology, ranging from our e-Book titled ***This is NOT the Position I Took***, to our 6 audio programs covering the entire Career Success Methodology for Job Search and Career Management.

These products will reduce your transition time between opportunities, shorten your job search, improve your batting average in interviews - both on the phone and in-person, and assist you in navigating the trecherous waters of compensation negotiation.

Imagine giving your career and job search a booster shot in the arm.
