You Can *Quickly And Easily* Produce A Fantastic Resume That Will Open Doors to Top Job Interviews And Top Notch Offers... Without Hiring an Expensive Service!

Dear Friend,

Most professionals don't have a clue how to get their "foot in the door" for those top job openings... *not one clue.*

And forget about the offer... many people see 6-12 months or more fly by without landing one decent INTERVIEW.

I am sure you know we are living in some of the most difficult and stressful economic times in decades. And today's executive job market feels like ***swimming in a tsunami.***

But take a moment and read on...

... We'll reveal to you how to open more doors for more executive jobs in the next 90+ days than most candidates will land in a year or more.

You're about to discover the KEY secrets 97% of all executives will never know...

Learn Little-Known Secrets about Resumes and Job Search Planning that leaves almost everyone else swimming in a 'Whirlpool of Confusion'

1. Nothing happens, literally NOTHING HAPPENS until YOUR telephone rings for the initial interview. Landing the first interview... getting your "foot in the door" is **ALL** that matters! (Read that again, it's that important)

2. The Magic: A well-written resume requires special ingredients that require you, yes you, to follow a **specific process**…what we like to call our

Complete Resume System
Why? Because Truly Effective Resumes Don't Look like 97% of the paper-clogging mess every employer and recruiter is faced with!

Did you get that? Your resume must be different!

Imagine this...

You are 'knee deep', no "**waist deep**", in your job search. You're totally stressed out and money is tight **...**

You need some serious help, NOW. So you decide to pay for a professionally written resume. You call the big name Resume Service and plunk down a large sum of money so you can have a *professional* write your new resume.

You think to yourself, "this ought to get the phones ringing!"

You get your resume back from the service and it seems impressive! They even tossed in a "free" cover letter to go with your pricey resume.

You excitedly send off your resume to recruiters, companies, post it on various job boards and other online services.

You 'know' your telephone is about to ring off the hook...

But, you wait and wait and wait...

... and Absolutely NOTHING is happening... *NOTHING!*

What really happened? 369 people **all applied for the same position** as you, the pile of resumes is massive, and your application, like 97% of them, was treated like toilet paper and tossed out.

Why? Because your resume did nothing to **grab the attention of the recruiter or employer!**

That herd of cattle that are chasing the same position you are have created a massive headache for the recruiter or hiring manager you're trying to reach.

Your resume is a lottery ticket, and your odds are the same!
