We are providing some of our materials and information for FREE so that you can use them as examples and core guidelines in improving your hiring process.

FREE Downloads of Examples and White Papers

This the area of our website where you can download examples of Success Factor Snapshots and Compelling Marketing Statements - CORE Tools in the Success Factor Methodology.

We'll be continually adding examples, illustrations, Hiring and Retention "How To"articles, and White Papers from our research and surveys. Check back frequently for new content added.

These additional FREE Resources for Hiring Managers should improve your ability to implement the Success Factor Metholodogy in your company.

In addition to the downloads, we've got a wealth of other FREE Resources to help you, including our FREE Chapter Sample from our award winning book, You're NOT the Person I Hired, our FREE Blog, our FREE Monthly Hiring Manager Hot Tips, and a variety of FREE Assessments.

To obtain any of items on this page, simply click the DOWNLOAD NOW button and you'll be taken through the same process as if you're purchasing one of our products - the difference is that these Hiring Manager Downloads are FREE.
