

Hiring Management Webinars

Our webinars give your hiring executives and managers the ability to learn how to hire and retain top talent in a flexible presentation arrangement.

We present all our major on-site programs through webinars by breaking each one down into major components. **After just a one-hour webinar, your hiring managers will be able to implement the advanced techniques traditionally only available to major corporations.**

Learning and development for managers is one of the core reasons top talent will come to your company and why they'll stay.

Layered on top of the basic need to provide hiring executives and managers with the right tools is the fact that most employees will not work for average or mediocre bosses. **Do you provide the learning and education of your executives and managers to be exceptional in their hiring and retention of staff?**

Open Roundtable Forum

This is really your webinar. We open up the questions and issues that you want to talk about. There is only one topic: what are your hiring issues? This is the forum to get these topics on the table and have an in-depth discussion with an expert. Think of this as our equivalent to the "open mic" on the radio. Only we promise to answer your questions and not hang up on you.
