

UPGRADE YOUR TEAM NOW

Creating a Competitive Advantage in Today's Economy

Have you asked the question: Is our Hiring Process **STRONG enough** to upgrade our team during this recession?

Why is our hiring process not more effective?

Why do we keep making the same hiring mistakes?

Why do we discover after candidates start **You're NOT the Person I Hired?**

When was the last time you determined if you had the **RIGHT** team in place to take your company to the next level?

You owe it to yourself to do two things: First, determine if you have the "right people in the right seats on the bus" and secondly, determine if your current hiring process is **STRONG enough** to get the "right people in the right seats on the bus."

FREE TOOLS and SERVICES TO UPGRADE YOUR TEAM NOW

STOP and read this first. It will save you time.

You can download more than one file by adding additional downloads to the cart. Once you enter the shopping cart simply return to this page and add another download. This will eliminate having to input your information in the store more than once.

Slide presentation from Vistage Webinar on May 15, 2009, titled Upgrade Your Team Now: Creating a Competitive Advantage in Today's Economy.

Discover the best practices used by other Vistage Members to hire outstanding talent and turn their workforce into a competitive advantage.
